Active Duty military attending college for the first time, must complete COLLEGE 101 presented by Base Education.**

Registration: Registration dates are found in the Academic Calendar. Registration is held in Building 825, Base Education Center, Camp Lejeune, and at the MCAS Education Center (Mondays only). **Students are required to meet individual course pre-requisites, if required, prior to enrollment. Campbell University reserves the right to limit enrollment and to cancel classes with insufficient enrollment.**

Tuition: Tuition costs are **\$195.00** per semester hour for all undergraduate courses. This is subject to increase without prior notice. ***NOTE: Internet Courses are \$250.00 per semester hour and are subject to increase without prior notice.**

Financial Aid: Active-duty military personnel can use Tuition Assistance (TA), which may pay up to 100% of tuition depending upon the availability of Tuition Assistance Funds. Active-duty personnel must apply for TA each eight or nine-week term they are enrolled at Campbell University. NCLTG (available during Fall I and Spring I registration ONLY) and Pell Grant applications are available at www.fafsa.ed.gov. Information on financial aid, the University's Military Spouse Appreciation Scholarship, and the Military Spouse Career Advancement Account can be obtained by speaking with Mrs. Patricia Frazier, Business Manager. (910-451-3097)

Veterans Affairs: **New VA students MUST see the VA Certifying Official prior to registering for courses. Office Hours-Mon-Thurs-9am-2pm.** Continuous VA students should register on the first day possible in order to insure current certification to the VA. Notify the VA Certifying Official when you register. All VA students who have missed a term must see the VA Certifying Official upon returning registration. All active duty personnel and visiting students desiring VA must see the Certifying Official prior to registering each term. All VA students mark VA on all registrations and drop/add forms. All VA students must see the Certifying Official upon withdrawal or receiving an "F" grade. VA students will be provided a degree plan as soon as their formal evaluation of transfer credits has been completed upon receipt of all transcripts. Only courses required for your degree can be certified for benefits. Required last day of the month verification by the student to the VA can be completed by the VA Web Automated Verification of Enrollment (WAVE) or Automated Telephone System 1-877-823-2378. All VA students must keep the Certifying Official informed of their registration status and any changes. Failure to do this may result in overpayments and non receipt of allowance due. If you change your enrollment, drop courses, withdraw from courses, or stop attending classes, or cease participating in internet courses, you may have to repay all or part of your VA Educational Benefits. Always see the VA Certifying Official if you have mitigating circumstances beyond your control. All VA students should visit the VA web site at www.gibill.va.gov for up to date information on VA benefits.

Dropping a course: Once a course has begun, courses can only be dropped during the first week of the term (see dates in schedule). Failure to properly drop a course may cause you to earn an "F" grade and you will be responsible for the cost of the course. If a student wishes to drop classes for which they have registered, they must do so in person at the Camp Lejeune Office. Students who DROP during the Add/Drop or Drop Only period may receive a full refund of tuition.

Course Withdrawal. Students, who wish to withdraw from a course after the add-drop period, must contact the Campbell University Camp Lejeune Office. **A withdrawal is academic in nature, and a grade will be required from the instructor (WP or WF). Students who withdraw from classes are financially responsible for these courses.**

Textbooks: You **must** now order your text books online. This can be done very easily using our on-line bookstore or other on-line options. Go to www.campbellcampeljeune.com and follow links. A separate handout will also be provided for this purpose.

BLENDED CLASS INFORMATION - Blended learning is a combination of classroom and online learning where online learning replaces *some* classroom instruction. Blended courses provide some of the conveniences of online courses without the complete loss of face-to-face contact. The majority of instruction will take place in the classroom.

For Chapter 33 VA Students. See VA Certifying Official prior to registration for all classes.

- .. Blended classes meet one night per week, or as noted in the class schedule. (Lunch-time classes meet two-three days per week)
- .. Non-classroom assignments are conducted over the internet.
- .. To take a blended course requires access to a personal computer, internet access, and may require other hardware or software prescribed by the instructor.
- .. Blended classes are open to all students in good academic standing.
- .. Students are required to use their Campbell e-mail address in conjunction with a blended class.
- .. Students in a blended class are loaded to the Blackboard course site on Friday before the term begins, and continually throughout the Add/Drop period, by the campus conducting the course.
- .. Using their Common User Name and Password, students can access the course site immediately if the course has been made available by the instructor.
- .. Students in blended classes that meet in-class on Wednesdays or later in the week, should expect to have some type of course work required in the Blackboard site before the first class meeting.
- .. Students should check the course site for assignments on the first day of the term. Students are responsible for any assignments prior to the first class meeting.
- .. Students experiencing difficulty accessing a blended course site should contact their home campus.

FROM THE DIRECTOR

WELCOME to **Campbell University** and to the Extended Campus at Camp Lejeune and the Jacksonville office site! Campbell University was ranked by The Princeton Review.com as one of the Best Colleges in the Southeast in its 2009 school selections. The accreditation and reputation of the school you attend for higher education is a very serious matter. Potential employers consider the quality of the institution you attended to receive your undergraduate and/or graduate degrees. You have made a wise decision to attend Campbell University.

Our Camp Lejeune extended campus offers several degree options for our students. Our most popular programs are Bachelor of Business Administration (BBA) with majors in Business Administration and Accounting, the Bachelor of Science in Psychology. In the Fall, 2008, we instituted a new degree program, Bachelor of Science in Information Technology and Security. A student can concentrate in one of two areas: Information Security or Information Technology management. We also added a Criminal Justice major to our curriculum. Students with certified technical training (military) or prior education from an accredited community and/or technical school may be interested in our Bachelor of Applied Science degree program. Each of these programs can be completed at our local campus.

You will find that our programs and classes are designed for the adult student. Most of our students work during the day. We offer evening classes, Saturday classes, lunchtime classes, distance education classes and blended (part classroom and part internet) classes to accommodate the needs of our students.

Several financial aid options are available to each Campbell student. The active duty Spouse Appreciation Scholarship will pay over one-half tuition for eligible spouses. Ask about these options when you speak with the Campbell counselor.

We look forward to helping you reach your educational goals!

Lee Milliner, D.Min
